

## Important Reminder: Authorization Submission Timeframe and Requirements for Applied Behavior Analysis (ABA) Services & Treatment Plans

Alameda Alliance for Health (Alliance) values our dedicated provider partner community. We have an important reminder we want to share with you.

All providers must submit all Applied Behavior Analysis (ABA) progress reports two (2) weeks before the ABA service authorization ends.

The request for authorization and progress reports should be submitted through the Alliance Provider Portal, accessed through our website at [www.alamedaalliance.org](http://www.alamedaalliance.org) by selecting the **Provider Portal** link on the top right corner.

Please see below for a brief reminder of the most commonly used procedure codes:

H0031	32 units/8 hours to be utilized for the initial assessment/functional behavior assessment and treatment plan development
H0032	32 units/8 hours to be utilized for re-assessment/progress report
H2012	Utilized for program supervision (direct and indirect)
H2019	Utilized for direct/1:1 ABA services with member present
H2014	Utilized for social skills groups with member and other peers
S5111	Utilized for caregiver training/caregiver goals

If any barriers prevent the timely submission of ABA progress reports or you need assistance with the Alliance Provider Portal, please contact the Alliance Provider Services Department at **1.510.747.4510**.

Thank you for your continued partnership and for providing high-quality care to our members and community. Together, we are creating a safer and healthier community for all.
